Military Motorcycle Club and Veterans Assistance Centre and Veterans Retreat

What is a Veteran??

The **Military Brotherhood MMC** (MB) is a military motorcycle club for Veterans, serving and ex-serving members of the Australian Defence Forces, Commonwealth forces, their families, friends and its supporter base.

The MB is a club that will not discriminate between male and female Service Members or male and female supporters.

The MB firmly believes a **Veteran** is:

- An Australian citizen who voluntarily served.
- An Australian citizen who was called by his government to serve.
- A member of the Australian Defence Force who was trained to fight and kill.
- A member of the Australian Defence Force who was trained to fight and kill, and fought.
- A member of the Australian Defence Force who fought and returned.
- A member of the Australian Defence Force who returned and stopped fighting and killing.
